

CONNECT THE DOTS!

Connect the dots by drawing a line between each consecutive number. Start at number one and finish on number 55. Can you guess what it is before you start?

SUDOKU 2X3

Place a digit from 1 to 6 in each empty cell so every row, every column and every 2x3 box contains all the digits 1 to 6.

5	4			2	1
	2			4	
	1			6	
4	5			3	2

		5	4		
	3			5
